

# MANKURRI-APINTHI

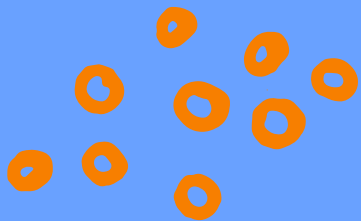

We believe the sharing of culture, lived experience and knowledge happens organically when mob meet.

We're a support network, run by community.

We empower peer volunteers and families to come together and make choices about what they want to learn and do.

Values:

- Creating a place for change
- Creating a place for healing
- Embracing culture, safety and voice
- Improving wellbeing, knowledge, self-esteem and confidence
- Empowering strengths and connectedness in community
- Valuing community journey and togetherness without judgement.
